Valid May 1 - Aug. 31, 2019. In store purchases only. While supplies last. Promotion may be modified or terminated without notice. Not valid in Houston.

Qualifying Equipment: In-stock equipment (Non-stock requires approval). Excludes special orders & job quotes. Standard pricing only. All package units used in a commercial application, requiring an adapter curb, qualify for discounted curbs. Package units 5+ tons and split condensers 6+ tons will qualify for \$20 per ton rebates.

Discounted Curbs: Curbs must be ordered through Curbco "Anytime" web application. No additional discount will be given for in-store pick-ups. Customer assumes responsibility for paying any field measurement fees if required. Only while supplies last. Promotion may be modified or terminated without notice. Curb discount available when using preferred vendor only. Please allow 7 business days for delivery from date of signed acceptance form. Use promo codes: CURB PROMOTION 2 TO 6.5 TON / CURB PROMOTION 7.5 TO 12.5 TON / CURB PROMOTION 15 TO 25 TON. Qualifying equipment, corresponding adapter curb & promo code MUST be on same invoice. If not possible, you must reference matching invoices in notes.

Instant Rebates: \$20 Per ton rebates executed by using these two promo codes: COMMERCIAL 20, COMMERCIAL 10. Add COMMERCIAL 20, enter quantity to reflect tonnage purchased on invoice. If multiple pieces of equipment on invoice, you do not need to use multiple promo codes. Enter total tonnage on the invoice as the quantity of promo code. Use the COMMERCIAL 10 code if you have a 1/2 ton that needs to be entered. (Example: 7.5 ton unit. Add "20" and qty. of 7, then add "10" and qty. of 1 to get the 1/2 ton that remains. Qualifying equipment & promo code MUST be on same invoice.
