60 DAY TERMS

90 DAY TERMS

Counter Procedure

If a customer qualifies for 60 or 90 day terms, change terms on order first. Send copy of invoice to accounting if credit terms are given. Add items to invoice. Taxes do not count towards purchase minimum. Customer must choose either rewards or rebate. If customer chooses rebate option; enter percentage discount promo code (listed above). If customer chooses rewards; first determine whether they are an owner or tech. If technician, give double punches on a Technician Toolbuck card and add promo code: **DOUBLE PUNCHES** to invoice. For owners, enter F8 to check and see if they are enrolled in Support (T3). If not, help them enroll at: insco.com/support. Add promo code: **TRIPLE T3** to invoice & marketing will add the reward points. Customer is not eligible for any toolbuck punches if they choose the rebate option.

Program Details

Excludes: copper, refrigerant, flex, equipment, special orders & floorplanning. Standard pricing only. Cannot be combined with additional offers. Extended terms are subject to credit approval. Additional orders within promotion will receive new terms if applicable. Limited to quantities on hand. Additional restrictions may apply.
